

### **DBMS Final Examination Guidelines**

Dear Students,

This document outlines the key information regarding the DBMS final examination, a crucial component of your training program. Please read carefully to ensure you are well-prepared for this important assessment.

#### **Examination Format:**

Type: Multiple Choice Questions (MCQs)

Number of Questions: 40

Question Source: All questions will be included from the DBMS assignments you have completed throughout the course.

Duration: 2 hours

#### **Examination Schedule:**

Date: 18th of January 2024

Time: 8.30 PM – 10.30 PM

#### **Examination Platform:**

The examination will be conducted through the iCET LMS DBMS module.

#### **Important Information:**

- Completing the final examination is MANDATORY for successful completion of the training program.
- Failing to take the exam will negatively impact your overall training progress and potential certificate issuance.
- Training Program Certificate: The certificate will be granted only if your Final Average Score on the DBMS final examination exceeds 40 out of 100.

We wish you the best of luck in your examination!

Thank you  
iCET Administration
